

Course Closure Information

BELMONT HEIGHTS:

Egress: Livingston will be closed in both directions. You may utilize Broadway, 3rd Street or 7th Street (westbound only). You may utilize Ximeno or Termino to head north toward alternative freeway routes or towards the 710 freeway. It is recommended that if you are not planning to attend marathon day events or you have no plans to be in the downtown area, to avoid the 710 freeway and use either 405 or 605 access routes.

Ingress: If returning to the area, you may take the 405 freeway and exit Lakewood Blvd. From there, utilize surface streets to return to the area. You may use the Traffic Circle; however, access on to PCH will be closed. You may also use the 710 freeway and exit either Broadway or Anaheim and proceed east to your desired location

NORTHEAST LONG BEACH (WEST OF STUDEBAKER, NORTH OF ANAHEIM, EAST OF CLARK):

Egress: The best ways to leave these areas is via freeway access. It is recommended that the 405 freeway be utilized. You may access the 405 freeway at Bellflower and Willow, Palo Verde and Stearns and on Studebaker just north of Atherton.

Ingress: You may utilize the same freeway access to return to the area. You may also utilize the exit on Studebaker from the 405.

ATHERTON (BETWEEN CLARK AND PALO VERDE):

Egress: Both sides of Atherton will be closed to traffic between Clark to Palo Verde except for the east bound lane of Atherton, which will remain open to Residents. Residents may leave the area by turning right on Bellflower and proceeding to 7th Street where they may turn east to reach freeway access.

Ingress: To return to the area, take the Bellflower Blvd exit off the 405 freeway. Residents returning to the area will need to park in the neighborhoods north of Atherton until the streets reopen at approximately 1:15 pm

www.runlongbeach.com

Get involved and support your community! Volunteers are the heart and soul of event weekend. Email Phyllis Blanchard for volunteering info at pblanchard@runracing.com.

Can't volunteer but want to make a difference? CHEER! These runners have trained over months to reach their goal and any encouragement you offer them will mean SO much!

Support a charity! We have over 30 charities benefitting from our race! Make sure to check out the Charities on the Get Involved tab at <http://www.runlongbeach.com>.

Let's show people what Long Beach is all about!

Resident/Spectator Information

Please note that the marathon operates as an out-and-back course so streets will be re-opened for traffic as the last athletes pass an area. Please also note that these are approximate times of street re-openings, times may vary. Police officers will be at every major intersection to allow cars to cross the marathon course once there is a break in the race.

Please allow extra time for travel because of the street closures and traffic delays. The marathon course has a "rolling" re-opening. The Long Beach Police will re-open streets as the event goes on and participants have moved past a certain area.

FREE PARKING FOR BELMONT SHORE RESIDENTS is available in the beach parking lots along Ocean. Enter the lots near the Belmont Pool and park for free Saturday night through Sunday. Residents can exit the lots on Sunday at GRANADA ONLY and be escorted across the race course by police.

Be one of 100,000 spectators who will be a part of the 27th Long Beach International City Bank Marathon on Sunday, October 9th! If you are not a registered participant or one of the 2000 volunteers, there is another way to show your support... SPECTATE. Your support provides encouragement and excitement for everyone. Every wave, cheer and smile given to a participant reinforces the collaboration of this Long Beach community supported event.

Street Closure Information

The marathon route will use the following streets:

Course Closure Information

Please note that the 7th Street exits from the 22 & NB 405 freeways will be closed for construction

BELMONT SHORE, PENINSULA, AND NAPLES AREAS:

Egress: Take 2nd Street east and proceed over the 2nd Street Bridge. Continue to Pacific Coast Highway (PCH). The freeway can be accessed using 2nd Street to Studebaker.

Egress For residents who are on the Peninsula: You may exit your area by proceeding west on Ocean Blvd. to 54th Street. From there you will go to Bayshore Ave. and proceed to 2nd Street, where you will be able to use the above directions to proceed out of the area.

Ingress: To re-enter the Belmont Shore, Naples and Peninsula areas: Take the 605 freeway to the 7th Street exit. Proceed west on 7th Street to Studebaker. Turn left on Studebaker and right on 2nd Street. Follow 2nd Street into the Naples/Belmont Shore area. From Orange County, take 405 North exit Seal Beach Blvd. Take Seal Beach Blvd to Westminster which turns into 2nd Street. For people who live on the Peninsula, you may re-access that area by turning left onto Bayshore Ave and left again on Ocean Blvd.

OCEAN BLVD. BETWEEN ALAMITOS AND TERMINO:

Egress: Take Ocean Blvd east (one lane will be open for vehicular traffic) and proceed to Granada. There will be a police officer at this location to direct you left onto Granada. Take Granada to 2nd Street. Take 2nd Street east and proceed over the 2nd Street Bridge. Continue to Pacific Coast Highway (PCH). The freeway can be accessed using 2nd Street to Studebaker.

Ingress: For those wishing to return to the area, it is highly recommended that you utilize the 710 freeway and exit either Anaheim or Broadway and use surface streets to get as close to your desired location as possible.

Please park on or near 1st Street as vehicular traffic will be prohibited to re-enter the area until streets reopen in the afternoon.
