

L7 2XU BM LONG BEACH MARATHON

MARATHON | HALF MARATHON | BIKE TOUR | 5K

OCTOBER 4-5, 2025

Dear Business Member,

We are excited to inform you that the 41st Annual Long Beach Marathon is scheduled to take place on Sunday, October 5, 2025. The weekend long festivity will feature a FREE Health and Fitness Expo on October 3-4, and four unique race distances.

Given the proximity of the event to the downtown and outlying area businesses, we are providing information about the event and associated road closures to help you prepare in advance of race day.

On Saturday, October 4, the Aquarium of the Pacific 5k will take place from 5:30 a.m. to 9:30 a.m. Limited road closures will be in place during this time. Please see the attached 5k map and road closure list for reference.

On Sunday, October 5, the marathon, half marathon and bike tour will take place between 5:00 a.m. and 2 p.m. Roads will re-open on a "rolling basis", meaning the streets will be open to traffic once the last participants have passed a certain area on the course, all course support materials have been removed and local law enforcement deems it safe to resume vehicular traffic. The downtown areas will reopen first to permit normal traffic flow. Most road closures will be in place beginning at 5 a.m., with the last closure expected to re-open at approximately 2 p.m.

Attached, please find a copy of the Sunday Marathon course map, full road closure list and timing. A full schedule of events can be found [here](#).

Thank you in advance for your continued support and cooperation over the years. The Long Beach Marathon contributes its continued success to the ongoing support of the local community and businesses; and for that we are extremely grateful.

Please do not hesitate to contact us with any comments, questions or concerns you may have. For questions regarding road closures or alternate access, please contact us at info@runlongbeach.com

Sincerely,

Motiv Sports
